WE BID ADIEU

Dressed in the shades of peace and gaiety, with the scent of purity, patience and perseverance, you walked on this campus like a guiding light. In the vastness of your dreams this institution rediscovered itself, in your disciplined and God-fearing life the students found a mentor par excellence, under the shade of your simplicity we gathered the courage to dare. You held all of us together, from the first to the last, under the umbrella of your tender love and care. As you set out to seek and transform the lives of the young and old in Nagaland, we wish you all the best. Our prayers go with you and our hearts sing in gratitude for your great contributions to this Institution. And we would like to tell you 'we are family.'
